

# “Business Turn Around Program”

**ARE YOU A SMALL BUSINESS OWNER EXPERIENCING MILD TO EXTREME OPERATIONAL OR FINANCIAL DIFFICULTIES?**

*The Business Turn Around Program* was created to address the problems facing many small business owners

during this current down turn in the economy.

Jim O’Neal, SBA District Director from the Sacramento Region is spearheading this program and has asked the Northeastern California SBDC Greater Sacramento, the local SCORE Chapter, and the local Business Information Centers (BICS) to participate.

The goal of the program is to assist those business owners that still have an opportunity to turn their business around.

*Your “Turn Around Team” will provide:*

- *One-on-one consulting services provided at your place of business or our center*
- *In-depth Analysis*
- *Review of Findings*
- *Range of options and Implementation plan*
- *Assist with actual techniques to turn your business around!*

**Please call us today for a no-cost consultation!**
